"MEDHA" Ground, Amrutvahini Sanstha Campus, Sangamner

"Amrutvahini Sheti & Shikshan Vikas Santha is a premier institution in the educational field in Maharashtra. It efficiently and most qualitatively runs mainly technical and professional courses; and is well-known on the state and national level for its highest academic standard.

This institution organises a grand cultural festival known as 'MEDHA' every year from 2016. Medha connotes intelligence. This is perhaps the second largest cultural festival in the state, the first being The Malhar Festival, Mumbai. The thought of organising such a grand festival on Amrutvahini was conceptualised by Rajwardhan Thorat; and it was successfully materialised by the Sanstha under the guidance of Mrs. Sharayu Deshmukh - Trustee of the Institution.

'Medha' provides an opportunity to the enthusiastic youth to showcase their hidden talents & skills. More than 10,000 students and nearly double number of parents whole heartedly enjoy this festival every year.

I wish 'MEDHA 2020' a grand success!"

Hon. Balasaheb Thorat, MLA

Minister, Revenue, Energy & Education, Maharashtra State

President, Maharashtra State Congress

President, Amrutvahini Sheti & Shikshan Vikas Sanstha, Sangamner

"MEDHA' festival organised every year by the Amrutvahini Sheti & Shikshan Vikas Sanstha is a mega cultural festival which has earned tremendous praise and appreciation in the educational field of the state. In Medha we invite celebrities, scientists, artists & eminent personalities to encourage rural students to spread their wings with full of confidence in today's competitive world to achieve great heights in the career.

The enthusiastic youth participate in this festival with full zeal & zest; and display their inborn cultural and intellectual abilities. It's indeed a grand celebration.

I specially appreciate and congratulate youth leader Rajwardhan Thorat who originated this idea for Amrutvahini; and also Mrs. Sharayu Deshmukh who took intensive initiative in successfully implementing the idea with the help of equally enthusiastic staff and students.

I wish 'MEDHA 2020' a very glorious success!"

Hon. Dr. Sudhir Tambe

Member of Legislative Council Maharashtra State
Trustee, Amrutvahini Sheti &
Shikshan Vikas Sanstha, Sangamner

"MEDHA' The Amrutvahini Mega Cultural Fest is now well known in the state for its grandeur and magnificence . The innovative idea of organising such a grand festival at a rural place like Sangamner generated through Rajwardhan Thorat's thinking; and in a very short span of time it has created its own space and place in the cultural world of the educational field of Maharashtra.

From tiny tots learning in pre-nursery classes to students preparing for their post-graduation and even doctorate partake in the fest equally enthusiastically. The management, staff & students of Amrutvahini leave no stone unturned to make this fest grand and splendid in every way .

The whole period of 'Medha' fest is a unique opportunity for students to enjoy and demonstrate their skills and abilities. The popularity of this fest is increasing day by day; and it has bestowed a special identity in Amrutvahini.

I wish 'MEDHA 2020' a glamorous success!"

Hon. Mrs. Sharayu Deshmukh

Trustee, Amrutvahini Sheti &
Shikshan Vikas Sanstha, Sangamner

" Each one of us has a potential to achieve greatness and nobody can deny us the opportunity to be great if we ourselves have courage and confidence to reach the heights through strenuous efforts and perseverance. One must always be ready to grab every opportunities to prove oneself. 'MEDHA' gives such opportunities to tap one's potential and talents. 'Medha' is not restricted only to our cultural talents. It gives us an exposure to reveal our talents in sports, literature and painting, too.

'Medha' arranges inspirational and motivational series of lectures by eminent scholars, academicians, scientists, entrepreneurs and administrators. These lectures help the youth to dream big and strive hard to bring those dreams into reality. The cultural aspect of this fest not only provides entertainment and enjoyment but also increases one's hunger to succeed. This fest helps the youth to shake off mediocrity and become the person one has always wanted to be. It helps everyone to spell success in life .

My Hearty best wishes for 'MEDHA 2020'!"
